

#1 selling remote for hospitality

Enhances overall image of room cleanliness

SAVE MONEY

- Spill Proof - Helps prevent remotes from being ruined or having sticky buttons
- Hidden attached battery cover eliminates lost battery covers and prevents battery theft
- Less likely to be stolen – Says “Not for home use” on remote
- Housekeeping is reminded to put Clean Remote back in holder reducing lost remotes

LESS MAINTENANCE

- One Touch set-up No Codes Needed.
- Never has to be reprogrammed even if batteries are removed. Guest cannot reprogram or change menu settings
- Easy wipe flat surface makes it simple to clean and disinfect
- Works over 250 brands of TV’s including new Flat Screens

Free Remote Holder With every remote purchased

Uses 2 AAA batteries
